Bull & Female Sale

A huge thank you to all who have supported us, it is with gratitude and excitement we extend a welcome to our annual bull and female sale.

Reintroducing the female section back into this event is definitely exciting. These females represent a life time of work, very proud of the group to be offered. Quality, value and opportunity. Certainly never been a better time to invest in high quality replacement heifers.

We have some absolute power in the bull pens this year. Whether it be calving ease or growth you need, we'll have as good as you'll find anywhere. This spring, value for investment, will be the key. These bulls will compete with the best.

Once again, so happy to have Crossman's involved, as their Simm Angus program evolves, it's easy to see lots of future in all they do.

Please come and have a tour. And if you're able, come join us on February 29th, 2024, as we'll have both the heat and hospitality on, in the Loft at Benlock Farms.

*Thanks again!
Tom & Shawnda*

Two "Attractive" Grandsons!

Natural Condition...

Grown out slow, these bulls are healthy and ready to cover cows. With cow families, 20 generations deep, and the best of breed proven sire lines, you're getting the highest genetic value, in a healthy, virile package.

Private Treaty Pen...

Available to book at any time. With as always, the option to flip him if you so choose to an online sale bull. It's a great way to reduce stress, stay on budget, or what some do, just add to your pen of bulls from the sale.

Docility...

A main criteria here we've worked hard on through genetic selection and a stiff continuous cull program. I rated our sale bulls as we prepared them for videos. Just a rough estimate of movement in the chute while running the blower.

- 1 - Calm
- 2 - Slight Movement
- 3 - Average
